FAMILY PARTICIPATION CONTRACT
2010-2011

Parents are the primary educators of their children. Parents need to be involved in their children's education. The staff and students of Holy Trinity School appreciate parent involvement. We have many parents who volunteer for various activities and we thank you, but we need the support of all parents.

For each new school year, we have the mandatory requirement of 10 hours of service to the school per family. If you cannot give of your time, you will be charged a \$50.00 service fee, or \$5.00 for every hour of service not completed. We want you to be aware of the fact that this is not a penalty, but a commitment to the success of your child's education. Without parent involvement with the school and its functions, we would find it very difficult to give your child the well-rounded education we strive for.

Below are several ways in which you or a family member, relative or friend can participate. Please check the areas, which you can work....
